

INA International Neurotoxicology Association

Dear INA Member,

It is time for collecting the INA dues. Please note that from this year on your dues are for a one year period from 2009/01/01 through 2009/12/31. Attached to this letter please find the forms for dues payment. These forms are also available at the INA web page

<http://www.neurotoxicology.org/>

The INA dues are as low as 25 euro per year. From this year on dues can only be paid in Euros to the INA account in the Netherlands, either by direct bank transfer or by using PayPal for direct money transfer to the PayPal account of INA. By paying your dues you contribute to the success of INA in reaching its goals, in particular providing travel support for students to attend INA meetings. You also get several advantages, including a reduced fee at the forthcoming INA meetings.

Current student members who have graduated should pay dues to become full members, or should send a proof of studentship to the Secretary at the address below to renew their student status.

Members that are unable to pay their dues for whatever reason, but that still want to be INA members, should send a letter stating so, also to the Secretary.

INA encourages members to pay their dues using PayPal. The e-mail address for the INA account is j.lammers@ziggo.nl

INA dues can also be paid by Direct Bank Transfer (wire transfer). The coordinates for this payment are:

- bank account number: 518899896
- name: International Neurotoxicology Association, Bunnik, The Netherlands
- bank: ABN AMRO Bank, Driebergen, The Netherlands
- SWIFT code: ABNANL2A
- IBAN number: NL34ABNA0518899896

You are requested to pay the charges for the transfer, so INA receives the full 25 Euro. As these charges can be quite high, you are allowed to include in a single transfer the dues from several INA members. The dues form and copy of your payment must be sent to the Treasurer, Jan Lammers, at the address below. Please, note that the name of the paying member is sometimes not accessible from the transfer, so your payment may not be recognized if you fail to send its proof to Jan Lammers.

If you have questions, contact Jan Lammers or Phil Bushnell.

INA Treasurer

Jan H.C.M. Lammers, PhD
TNO Quality of Life
Toxicology and Applied Pharmacology Department
P.O. Box 360
3700 AJ, Zeist, The Netherlands
