

# INA International Neurotoxicology Association

---

Dear INA Member,

It is time for collecting the INA dues. Please note that your dues are for the two year period from 2007/01/01 through 2008/12/31. Attached to this letter please find the forms for dues payment. These forms are also available at the INA web page <http://www.neurotoxicology.org/>

The INA dues are as low as 35 euro / 35 \$ for the two year period. The 35 euro is the amount to be paid by members paying to the account in the Netherlands, while the amount to be paid by members paying to the US account is \$35. By paying your dues you contribute to the success of INA in reaching its goals, in particular providing travel support for students to attend INA meetings. You also get several advantages, including a reduced fee at the forthcoming INA meetings.

There are two accounts available for payment, the main INA account in The Netherlands, and the US INA account in North Carolina.. The deadline for payment is July 1st.

Current student members who have graduated should pay dues to become full members, or should send a proof of studentship to the Secretary at the address below to renew their student status.

Members that are unable to pay their dues for whatever reason, but that still want to be INA members, should send a letter stating so, also to the Secretary.

INA members in the US can pay dues by check. The check should be made out to the International Neurotoxicology Association for the amount of \$35. The dues form and payment should be sent to the holder of the INA US account, Carey Pope, at the address below.

For INA members in all other countries, INA dues can be paid by Direct Bank Transfer (wire transfer). The coordinates for this payment are:

- bank account number: 518899896
- name: International Neurotoxicology Association, Driebergen, The Netherlands
- bank: ABN AMRO Bank, Driebergen, The Netherlands
- SWIFT code: ABNANL2A
- IBAN number: NL34ABNA0518899896

You are requested to pay the charges for the transfer, so INA receives the full 35 euro. As these charges can be quite high, you are allowed to include in a single transfer the dues from several INA members. The dues form and copy of your payment must be sent to the Treasurer, Jan Lammers, at the address below. Please, note that the name of the paying member is sometimes not accessible from the transfer, so your payment may not be recognized if you fail to send its proof to Jan Lammers.

If you have questions, contact Jan Lammers, Carey Pope, or Phil Bushnell.
