

*You are Invited to Submit a Paper from INA-15
for Inclusion in a Special Issue of NeuroToxicology*

devoted to selected papers presented at the *15th International Neurotoxicology Association meeting* convened June 27-July 1, 2015 in Montréal, Quebec, Canada, entitled:

**“Neural Mechanisms of Functional Impairment
Across the Lifespan”**

Every participant presenting a paper at this conference - from symposia or poster - is encouraged to submit a paper for inclusion in a special issue of the international peer-reviewed journal *NeuroToxicology* that will be devoted to selected presentations from the meeting. Your paper may be an Original Research Article, a mini-Review, a Short Communication, or a Commentary.

The length of your paper may be as long as necessary to present and support the data; 15-20 typewritten pages are average. Papers will be rapidly peer-reviewed. **Note:** *that the submission of a manuscript is not a guarantee of acceptance for publication in the journal. All manuscripts are subjected to the regular peer-review process of NeuroToxicology. According to these high quality standards not all papers will be accepted; some might be rejected while others will need revisions.*

THE DEADLINE FOR RECEIPT OF INA-15 MANUSCRIPTS IS:

October 31, 2015

Please **SUBMIT YOUR MANUSCRIPT ONLINE**. Go to: <http://ees.elsevier.com/neutox/> and click on “Author Gateway”. When selecting your Article Type, **click on the drop down box and choose “SI: INA-15 Montreal”**. In your cover letter, please indicate your manuscript type, such as Original Research Article, Mini-Review, Short Communication, Commentary, or other. If you have questions during electronic submission please email support@elsevier.com
