

International Neurotoxicology Association

Call for Presentations at the INA-15 meeting with the Neurobehavioral Teratology Society (NBTS) at the Hilton Bonaventure Hotel in Montreal, Canada, June 27-July 1, 2015.

Please send an abstract of your recent neurotoxicology research for presentation at INA-15. For further information visit the INA website (neurotoxicology.org). The word limit is 400 words including title, authors, affiliations and funding citations (see attached example). The abstracts will be evaluated by the INA program and local organizing committees. The deadline is March 1, 2015. Indicate presentation preference of platform, poster or either. Email the abstracts to Ed Levin at edlevin@duke.edu.

Still accepting late breaking abstracts for poster presentations until April 15, 2015
