

A Virtual Special Issue of *NeuroToxicology*

Peer-Reviewed Articles from the Proceedings of INA-18

- Manuscripts describing scientific presentations from the INA-18 conference will be considered for inclusion in the peer-reviewed proceedings to be published in a virtual special issue of *NeuroToxicology*
- Manuscripts may be original research, a critical review article, a short communication, or a commentary
- Submission of a manuscript is not a guarantee of acceptance for publication in the journal. *All manuscripts will go through the regular peer-review process of NeuroToxicology*
- **Submission deadline for the INA-18 special issue is December 1, 2023**
- **Questions? See Pam Lein, Ed Levin, Tim Shafer or Remco Westerink**
